About The Brand

Maa Umiya Sales Corporation is a distinguished enterprise offering premium tissue products under the renowned "IP Paper" brand. Our extensive product line includes Tissue Napkins, Customized Printed Napkins, Toilet Rolls, Kitchen Tissues, and HRT Rolls-essential products that seamlessly integrate functionality with everyday convenience.

We are dedicated to providing high-quality products that not only fulfill practical needs but also enhance the ambiance and aesthetics of any setting. Designed to be affordable, hygienic, durable, and eco- friendly, our tissue products deliver unmatched value and sustainability.

Based in Indore, Madhya Pradesh, India, we are a leading manufacturer known for our unwavering focus on exceptional customer service and superior product quality. Our reliable and timely delivery ensures we meet the diverse needs of our clients, reinforcing our reputation as a trusted name in the industry.

Maa Umiya Sales Corporation, established in 2023, is one of India's premier paper tissue manufacturers. Our facility, spread across 1,500 square feet, is equipped to meet customer demands with a flexible annual production capacity.

We are proudly certified with ISO 9001:2015 (Quality Management System) and ISO 14001:2015 (Environmental Management System), reflecting our commitment to quality and environmental sustainability. Our product range includes Toilet Paper, Paper Hand Towels, Napkins, Facial Tissues, and Kitchen Paper, all crafted to meet high standards of hygiene and comfort.

Our products are chemical-free, skin-friendly, and designed to ensure customer satisfaction. We offer free samples and warmly welcome OEM & ODM services to cater to customized requirements. Trusted by customers across India and abroad, Maa Umiya Sales Corporation is dedicated to delivering excellence and sustainability in every product.

Vision

Our goal is to build a company that is relentlessly focused on delivering quality and ensuring customer satisfaction by providing top-tier products that meet global standards. We are dedicated to incorporating hygiene and environmental considerations into every aspect of our business. This approach guarantees:

- Premium Quality Products
- Outstanding Customer Satisfaction and Timely Delivery
 - Commitment to Hygiene and Environmental Responsibility

We strive for excellence through the highest standards of ethical practices and strong organizational values, ensuring the best interests of all stakeholders are upheld.

Mission

We are committed to relentlessly pursuing our vision by offering environmentally friendly & hygiene-conscious products, always maintaining the highest standards of integrity and ethics.

Our goal is to empower our workforce to deliver products and services that not only exceed customer expectations but also provide exceptional value for money. In doing so, we aim to ensure substantial returns for our employees and end-users alike.

Quality Assurance

Our primary focus is to consistently provide superior-quality products to our valued client base. We carefully select premium raw materials for the production of our tissue product range, which includes Tissue Napkins, Customized Printed Napkins, Toilet Rolls, Kitchen Tissue, HRT Rolls, and more. To meet the specific needs of our customers, we offer customized product sizes, pricing, and color options.

As a client-focused enterprise, we are committed to delivering innovative product designs that add value and enhance the customer experience. Our dedicated team is continually working to provide the highest level of service to meet our clients' evolving demands. We are driven by a vision to become a domestic leader in our industry, integrating the latest technologies while prioritizing the use of eco-friendly raw materials.

Company Scope

At IP Paper, we are dedicated to making life easier for our customers by continually improving our products and services. Leveraging our expertise and experience, we create high-quality paper products for everyday use, made from hygienic tissue paper that meets the highest standards of safety and environmental care.

Our products are designed to cater to the most discerning customers across selected market segments, all while maintaining competitive pricing.
